### Macmillan Cake Sale

We hope you will come and join us to help raise for money for Macmillan Cancer Support charity on Friday 28th September in the school hall from 2:30pm onwards. It is such a great cause and they help support so many people with cancer and also their families. We also would love it if you could bake ('cheating' is completely acceptable on this occasion) and bring in your cakes and buns for us to sell at the event. If you do choose to bake yours from scratch then you will be eligible to enter our competition to be crowned Mallards Most Magnificent Baker 2018! It will be a great atmosphere and all for such a fantastic cause, we hope you will help us to make this event and success and raise much needed funds for Macmillan Cancer Support.

### Attendance

We have been very impressed with the positive start to the new academic year with regards to attendance! This is fantastic news and we hope this may continue throughout the year! There will be a number of attendance initiative running throughout the year so watch out for more information about these coming soon.

### **School Matters!**

### Parent Pay

Please remember we have got a strict policy in place with regards to dinner money. If your arrears reaches a value of over £10 then we will not be able to provide a school dinner and a packed lunch will need to be sent to school with your child each day until the account is brought into credit. Thank you

### Bikes at School

Your children's safety is our number one priority and to help us keep them safe we ask you make sure that if your child brings their bike to school they leave it in the bike rack at the front of school and under no circumstances must children ride their bikes on school grounds. This is to ensure the safety of our children and parents as the playground gets quite busy before and after school. Also, as a safety precaution bike helmets must be worn by children when they are riding their bikes on the ways to and from school.

### Classroom doors open at 08:40

Classroom doors open at 08:40am and we expect children to promptly enter their classrooms and begin the daily activities as soon as the doors open. The doors close at 08:55 and any children arriving after this time will need to sign in at the office.
