## MACMILLAN CANCER SUPPORT

### Macmillan Cake Sale

Today we held our annual Macmillan Cake sale. We will put full details of the event on next weeks newsletter and on the website early next week. This will include the total we have raised and the winner of cake baking competition. We have had some fantastic support from our parents and students and thank you all for your contributions. A special thank you to four of our Year 6 pupils who raised £23 in the run up to our event and have also ran their own stand at the event today:

**Katy Peagram**

**Makenzie Lees**

**Lily McLaren**

**Alexis Demis**

**Well done girls!**

### Bikes at School

Please note that after October half term, children are not permitted to bring their bikes or scooters to school unless they are wearing a helmet. This is for their safety, to protect them against head and facial injuries if they fall off their bikes.

### Year 1 Squirrel Wood

Year 1 had a brilliant morning out at Squirrel wood on Wednesday. Our visit was based on the story 'The Gruffalo' by Julia Donaldson. We started off with a character hunt where we found the Gruffalo characters from the book and then built them some cosy homes to stay in out of natural materials. We showed fantastic 'learning together' skills to plan and build our shelters. We then made pictures of the animals using natural materials and put them in a wooden photo frame made from sticks. We finished the session off by cooking the Gruffalo's favourite treat, pop corn on the fire.

### Jeans for Genes

Thankyou to all who supported us on our Jeans for Genes day, we raised £368 for Genetic Disorders UK. This money will help them in providing resources and support directly to those affected, and to the charities and patient groups dedicated to a single genetic disorder or related group of genetic disorders.

### Parent Pay

Please remember we have got a strict policy in place with regards to dinner money. If your arrears reaches a value of over £10 then we will not be able to provide a school dinner and a packed lunch will need to be sent to school with your child each day until the account is brought into credit. Thank you

### Classroom doors open at 08:40

Classroom doors open at 08:40am and we expect children to promptly enter their classrooms and begin the daily activities as soon as the doors open. The doors close at 08:55 and any children arriving after this time will need to sign in at the office.
