Anti-Bullying Week

All the children had the opportunity to watch The Power of One Anti-Bullying Show. The actors helped us to work out a definition of what bullying is and we decided that bullying is: "HURTFUL, PURPOSEFUL, and REPEATED behaviour towards someone else ." The actors acted out different scenarios to explain the negative effects of different types of bullying, the roles that people play that make bullying possible, and what each of us can do to help us to prevent bullying from happening in our school. Through the scenarios we also looked at the role of the bystander who knows that someone is being bullied but does not do anything about it and how important it is to tell an adult and have the Power of One.

Throughout the show four large, coloured boxes were used to represent one of the roles involved in bullying. These were: green for Bully, purple for Target, yellow for Bystander, and white for the Power of One. At the end of the show the actors stacked all four boxes up and put the white box (Power of One) on the top. Then as they spun the boxes around, all the boxes all turned white! This helped us to recognise that we all have the power and courage not to be a Bystander, but to report bullying when they see it and know it is happening. Together we have the power to make our school a bully free zone!

At the end of show we all agreed that:

I will not bully others

I will not stand by while others are bullied

I will report and deal with bullying whenever I see it

Because I have the Power of One

Year 2 Get Creative!

In Year 2 on Friday 9th November, we made untuned percussion instruments from plastic containers, cardboard tubes, rice, pasta tubes and spaghetti. This was part of our 'Let's Create' theme. We had great fun making our instruments, and were very impressed with the results!

End of Theme Celebrations

The children have thoroughly enjoyed their end of theme celebrations, it's a great opportunity to review and share their work over the past 9 weeks, we look forward to welcoming you all back at the end of their next theme. Theme 2 Newsletters will be given out shortly and will also be available on the website for you to download.
