Year 3 National Rail Museum York

Year 3 have thoroughly enjoyed their visit to the National Railway Museum in York this week as part of their new topic - 126 MPH! In keeping with the theme of the topic, the children travelled to York on the train from Doncaster Train Station: a first-time experience for many of the children, and one which was enjoyed by all. High points of the visit included the 'Need for Speed' workshop, where children were taken on a whirlwind tour of the

innovations in rail travel throughout history and beyond, and encountering the 'Mallard' train itself, in all its glory. The children's behaviour was exemplary throughout the visit, and they have come back to school buzzing to put their new-found knowledge into their learning.

Parents Evening

This years parents evening had a brilliant turnout with 80% of parents/carers attending. It was great to see you all and share your children's progress with you. Thank you for filling out the questionnaires and giving us your feedback, we will use this and take on board your comments/suggestions.

Children in Need

As a school we raised £367 for Children in need this year with our children and staff sporting their spots and stripes on non-uniform day. Thank you for helping us support this amazing charity.

Read, Write, Inc

Our Reception and Year 1 parents were invited into school Thursday morning to attend a 'Read, Write, Inc' workshop. It was a great turn out and we enjoyed discussing the programme, the techniques used within it and how learning can be encouraged at home. We hope that we have provided you with the tools to enhance your children's learning and help them thrive on the programme. Thank you
