Wednesday 9th January 2019	Year 2 Swimming commences Wednesday mornings.

Learner Of the Week

Olly Walker Sienna Bartliff	Puffin	For magic moments in maths when talking about measures. For fantastic turn taking and listening with her talk partner.
Freya Knott Logan Haigh	Swan	Freya has been a team member this week by listening to others when building outdoors. Logan has been asking questions in Maths and showing a can do attitude to learning.
Mozes Barton	Blackbird	For trying so hard during handwriting this week.
Esha Ahmed	Goldfinch	For aiming high in her reading and reading regularly at home.
Mcanna-Ann Grundy	Robin	For a magic moment in maths in which she explained her reasoning.
Vina Kheder	Skylark	For aiming high across the curriculum.
Joseph Roberts	Jackdaw	For aiming high in his diary writing.
Lilly-Anne Rodgers	Jay	For listening and responding to feedback across all areas of the curriculum to improve her outcomes.
Destiny Ford	Raven	For aiming high in all areas, particularly in her theme learning.
Emily Brown	Magpie	For showing determination to improve confidence when explaining her maths.
Tristen Oates	Eagle	For an exceptional improvement in his attitude towards learning. He has really shown what he is truly capable of - Keep up the great work Tristen!
Tylah Thomas	Kestrel	For determination to apply this week's English focus.
Caitlin Revell	Falcon	For aiming high in her writing.
Katie Wilkinson	Hawk	For a big improvement in her attitude to learning.

Year 2 Castle Museum York

On 26th November, Year 2 visited York Castle Museum. We explored the Victorian Christmas exhibits and imagined what Christmas would have been like in those times. We also made coconut ice to eat and cornucopias to fill with sweets and hang on the Christmas tree. Afterwards, we all sang Christmas carols on the Victorian street. It was a magical visit which we all enjoyed enormously!

Read, Write, Inc - Parents Session

It was wonderful to welcome some of our Year 1 and Reception parents into our Read, Write, Inc. session on Tuesday morning. The feedback from parents was great and we are very pleased that it was found to be insightful and helped many of you understand how your children are learning to read and write. If you haven't already; we would love your feedback on this session.

Christmas Dinner

On Friday 14th December we will be doing our annual Christmas Dinner day. If your child is in Key Stage 2 then please complete the letters which have been sent out if your child wishes to have one of these lovely festive dinners. If your child is eligible for free school meals or in Foundation/Key Stage 1 then these meals will be provided by school as on any other normal day.

Forest School - Tree planting session

The Reception children had a brilliant time planting 150 new trees on the school field last Friday. These will build on the ones planted last year and our aim is to create our very own woodland area at the side of our Forest school site. The children will be able to enjoy this in years to come and will be able to take pride in the fact that they have played an important part in creating this woodland. When the Reception children are in Year 6 and getting ready to move on to Secondary school, their trees should be as tall as they are. We are extremely grateful to all the parents/carers who gave their time to come in and help the children to plant all of the trees.
