Christmas Dinner

On Friday 14th December we will be doing our annual Christmas Dinner day. If your child is in Key Stage 2 then please complete the letters which have been sent out if your child wishes to have one of these lovely festive dinners. If your child is eligible for free school meals or in Foundation/Key Stage 1 then these meals will be provided by school as on any other normal day.

Christmas Jumper day

As well as being our Christmas Dinner day on the 14th, we are hosting a School Christmas Jumper day to raise money for Save The Children on the 14th December. We ask children and staff to bring a £1 donation and to wear their festive jumpers to school.

Parent Pay

Please remember we have got a strict policy in place with regards to dinner money. If your arrears reaches a value of over £10 then we will not be able to provide a school dinner and a packed lunch will need to be sent to school with your child each day until the account is brought into credit. Thank you

Bikes at School

Your children's safety is our number one priority and to help us keep them safe we ask you make sure that if your child brings their bike to school they leave it in the bike rack at the front of school and under no circumstances must children ride their bikes on school grounds. This is to ensure the safety of our children and parents as the playground gets quite busy before and after school. Also, as a safety precaution bike helmets must be worn by children when they are riding their bikes on the ways to and from school.

Asthma

It's that time again where the weather isn't kind to the children and brings on coughs, colds and for some of our children - Asthma episodes. Please ensure that if your child has an inhaler in school, it is in date and has plenty of medication remaining it, your child's class teacher will be able to help you with this. If you require any further support around Asthma then please contact our Asthma lead - Tina Dodgson.
